To Whom It May Concern:

On 18 October 2007, the office of the Information and Privacy Coordinator received your undated Freedom of Information Act (FOIA) request for:

**"A copy of your 19 pg. summary of your report on 9/11
(released 8/21/07)"**

We assigned your request the reference number above. Please use this number when corresponding with us so that we can identify it easily.

Please be advised that we received a previous FOIA request for the same report that you seek. We will send you the same CIA-originated record, if it is released, once that request has been completed. Because we believe that fees would be minimal, and as an act of administrative discretion, there will be no charge for processing your request.

Despite our best efforts, the large number of FOIA requests CIA receives has created unavoidable processing delays making it unlikely that we can respond within the 20 working days the FOIA requires. You have the right to consider our honest appraisal as a denial of your request and you may appeal to the Agency Release Panel. A more practical approach would permit us to continue processing your request and respond to you as soon as we can. You will retain your appeal rights and, once you receive the results of our search, can appeal at that time if you wish. We will proceed on that basis unless you object.

We will contact you again when we have completed processing the original request mentioned above. Meanwhile, we appreciate your patience.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Koch", with a long horizontal line extending to the right.

Scott Koch
Information and Privacy Coordinator
